

2020 Chevrolet Collins DE516WR 12 Passenger (+ 2 WC) Mini School Bus

Call For Pricing

Master's Transportation is proud to offer the Collins Type A school bus. Collins developed the first Type A school bus in 1967 and has been committed to continuously improving the design of school buses to protect passengers and develop a product which exceeds industry standards for safety, reliability and innovation. Collins remains at the head of the class. The 2020 12+2WC Passenger Collins School Bus offers a variety of safety and performance features that make it a suitable transportation option for school districts of any size. This bus is equipped with Rear Braun Wheelchair Lift and the ability for two wheelchairs.
