At Master's Transportation we offer the perfect balance of safety and durability with the Universal. It's fully undercoated chassis and standard 5/8" marine grade plywood flooring, stainless steel exterior screws protect the bus from most extreme conditions. A fully welded aluminized steel structure surrounds the passenger compartment. Universal one of the safest buses on the road is equipped with Rosco rear vision back-up camera and 36"x36" tempered safety glass windows. Making it one of the most sought-after is the one piece fiberglass front and rear cap and laminated straight sidewalls.
