Belton Award Program Honors the Achievement

BELTON January 12, 2022 -- Masters Transportation Corp has been selected for the 2022 Best of Belton Award in the School Bus Service category by the Belton Award Program.

Each year, the Belton Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Belton area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Belton Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Belton Award Program and data provided by third parties.
